THE HAMBURG APPLE MARKET

(Last market report of season)

Boxed apples made somewhat higher prices on the Hamburg auction Thursday, April 28, than last week, according to a cable from Fred A. Motz, Fruit Specialist in Europe for the Foreign Service of the Department of Agriculture. Supplies amounted to 70,000 boxes against 34,000 boxes last week. There was a strong inquiry for red apples whereas yellow varieties were in only fair request. Supplies of Washington Winesaps were liberal, and Oregon Newtowns, Arkansas Blacks, and Washington Staymans moderate. The condition of the fruit was good.
